"Linking the Past, Present and Future"

April 2022

Upcoming Delta Sigma Meeting

Mark your calendar for **April 28, 2022** and plan to attend the next Delta Sigma Chapter meeting! The dinner meeting will be hosted by the Scholarship Committee and will begin **6:00 p.m.** at **Boger City United Methodist Church**. This will be a very eventful meeting! In addition to inducting new members, scholarship and award winners will be recognized. Milestone acknowledgements will also honor long-term members for their years of service.

A prompt **RSVP to Frankie Beam** will provide the Scholarship Committee with an accurate meal count for planning purposes. Please respond by **April 20th**.

Directory photos will be made at this meeting for new members. Any other member desiring a new photo in the directory, please arrive 15 minutes early.

Make plans to attend and enjoy the fellowship and celebrations!

Food Bank Support Requested

Whether you attend the upcoming NC DKG meeting or not, please consider supporting the convention project with your donation to the Mountain Area Nutritional Needs Alliance (MANNA) FoodBank, part of Feeding America. MANNA, a private, 501(c)(3) non-profit organization, works to end food insecurity for students and families in Western North Carolina. Founded in 1982 by the Hunger Awareness Group in Asheville, MANNA FoodBank currently distributes more than 50,000 pounds of food *every day* to over 200 partner pantries and other human service organizations. Visit the [MANNA FoodBank website](#) for more information.

To make a secure, online donation, visit the [MANNA donation page](#) and choose "Designate My Donation." Then select "Other Info" and enter NC DKG State Convention Project. Checks and money orders may also be written to MANNA FoodBank (reference the 2022 NC DKG Convention Project in the check memo line) and mailed to MANNA FoodBank at 627 Swannanoa River Road, Asheville, NC 28805.

Every \$1 donated to MANNA helps provide four meals for people across Western NC.

Deadlines & Dates to Remember!

- Apr. 28** Delta Sigma Spring Meeting
- 2022-2023 Dues Payment Deadline**
- Apr. 29 -** NC DKG Convention
- May 1** Asheville, NC
- May 1** Cornetet Individual PD Award applications due
- May 15** Bulletin: Journal submissions due
- June 18** New Leader Training for incoming chapter leaders
- June 27** Delta Sigma Summer Planning Meeting and Officer Installation

President's Message

Delta Sigma members,

Spring has sprung and we have so much to be thankful for! For working and retired members alike, Spring Break is a welcome period of rest, community, and family. I am glad for Delta Kappa Gamma to be a part of the community in which I thrive.

New member orientation was held in March and we have a sharp and energetic group of women ready to join Delta Sigma. I cannot wait for everyone to meet and greet each other during our April 28th meeting. We will have a delicious meal catered by Jamal Farley, acknowledge membership milestones, award our scholarships, and conduct new member initiation. Representative Jason Saine is planning on joining us as well. What a great way to show off the dedication of Lincoln County teachers to our upcoming generation and our legislator!

Our teacher appreciation scholarship fundraiser is off to a good start. I love the idea of teachers coming out their front doors or showing up at their classrooms to be surprised with one of our "I'm someone's favorite teacher" signs during Teacher Appreciation Week! Please remember we will need all members to participate in order to fund our scholarships for next year. We will continue taking orders until **April 21st**. We will need the following week to get everything organized for pick up at the April 28th meeting. You may be asked to help deliver letters to your school or a sign to a home near you. I have to thank Rhonda Hager and Kelton Stone for being so involved in the implementation. Please consider re-sharing our post about the event on social media as Teacher Appreciation Week is approaching.

I cannot tell you the joy it brings me to be back **knock on wood** to face to face meetings **fingers crossed**. Conducting any business online is tiresome and nothing can replace the good feeling you get communing with each other face to face! I look

forward to seeing each and every one of you soon for our last meeting of the year!

Sincerely,
[Kennan Eaddy](#)
Delta Sigma President, 2020-2022

Recognition, Awards, and Celebrations of Members

Under the leadership of **Heather Myers**, East Lincoln Middle School has been redesignated as a School to Watch. Congratulations to Heather and her staff!

In addition to serving as president of Delta Sigma, **Rhonda Hager** will be serving as the **NC DKG Region X Director** for the upcoming biennium. Congratulations Rhonda!

Congratulations to **Kennan Eaddy** who is a recipient of a 2022 Spring NC DKG Education Foundation Grant. Her grant, "Elementary Career Exploration Through Literature," will provide funds to purchase books on career exploration for an elementary school library in Lincoln County Schools.

Stacy McClain was recognized in December as the Wildcat Employee of the month at Lincolnton Middle School. One student commented, "(She is) willing to do anything to make LMS a better place." Bravo, Mrs. McClain!

Eleven Delta Sigma members attained milestone years of service to DKG during the last three years.

25 Years – Frankie Beam and Jill Eaddy
30 Years – Nelva Goodson, Judy Jones and Glenda Walker
35 Years – Wanda Lutz, Sara Miller, and Judy Shuford
40 Years – Edwina Beam, Becky Heavner, and Gayle Reid

Thank you, ladies, for your years of service and dedication!

Please share joyous and celebratory news with our members. Email your news to the [newsletter editor](#).

Delta Sigma Fundraiser Honors Teachers

Most people have been positively influenced by a teacher who left an indelible mark on their lives. These extraordinary educators made a difference and possibly influenced our career paths. Delta Sigma's new fundraiser offers several opportunities to acknowledge these exceptional educators while also supporting future and beginning teachers in Lincoln County Schools. The fundraiser is underway and will culminate during Teacher Appreciation Week (May 2 – 6, 2022).

Delta Sigma is providing three levels of recognition to thank and honor teachers who have made a difference in the lives of students:

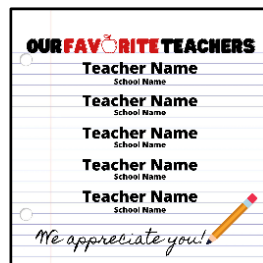

Level "A" for an Amazing Teacher: For a \$30 donation, a favorite teacher's name will be published in the *Lincoln Times-News* and *Lincoln Herald* in an ad thanking teachers during Teacher Appreciation Week. The first 50 individuals to purchase this level of recognition will also receive a yard sign that will be delivered personally to teachers living in Lincoln County.

Level "B" for the Best Teacher Ever: For a \$15 donation, a personalized note expressing how that teacher made a difference will be hand-delivered to current teachers in Lincoln County

Schools during Teacher Appreciation Week. For teachers not currently teaching or deceased, the note will be mailed to the favorite teacher or a family member.

Level "C" for the Coolest Teacher: For a \$5 donation, a Shout Out will be made on Delta Sigma's Facebook page during Teacher Appreciation Week.

Each member is asked to donate or encourage others in the community to donate to this teacher

appreciation and recognition event. Donation information has been published in several local newspapers, and members have been asked to share it on social media. For more information, on how to support this teacher appreciation and recognition event, visit <http://bit.ly/DKGfundraiser> or scan the QR code.

The last day to make a donation is April 21, 2022. Let's make this Teacher Appreciation Week extra special by recognizing and honoring those who have impacted our lives in such a meaningful way!

Positive Response to Teacher Appreciation Event

Below are excerpts from a letter written by community member, Skip Steele, in response to Delta Sigma's Teacher Appreciation Event.

"I probably can't afford to recognize every amazing teacher that I had in public elementary and high schools. I'm now an old retiree, but I credit my entire career to the teachers in grades 1-12 who slowly and incrementally built my knowledge into a usable form. That foundation, of course, enabled every job I learned to do and every experience that continued building capabilities throughout my life." ...

"Of course, some teachers have greater impact than others, due partly to the students' personalized readiness at the time of interaction but mostly by the teacher's engagement with and care for each student." ... "The amazing teachers make each student feel like they are teaching her or him specifically and individually. And working to earn that teacher's regard, approval, (and) respect is likely the most powerful emotive lever any teacher has for a student." ...

"Thank you for helping recognize the teaching profession and all the amazing teachers who have and are building the next generation of our civilization."

Mr. Steele has made donations to recognize 12 amazing educators in his life!

“Knickers for New Life” Supported By Region X Event

Information Submitted by Rhonda Hager

The Alpha Nu Chapter hosted a program for all chapters in Region X on Saturday, February 26th. It was held in the fellowship hall of the First Baptist Church in Morganton at the historic Kistler House annex. The program, Knickers for New Life (KFNL) presented by Watha Kollmeyer, was a HUGE success.

Rhonda Hager represented Delta Sigma at this event. She shared, “Region X came out in full force wearing their DKG nametags, ready to meet new sisters and learn more about Knickers for New Life from Watha.” The event was also attended by the state leadership team.

Watha has an inspiring story and was the keynote speaker at NC DKG virtual convention in 2021. She told her story through pictures as she described the living and school conditions in western Uganda. In Uganda, running water and toilets are not easily found, leading to many diseases and causing numerous health issues. In addition, the poverty in Uganda causes many to go without the basics of underwear (“knickers” in the British terminology) and sanitary products. Attendees learned how KFNL supplies allow girls to attend school even when they begin their menstrual cycle. Otherwise, they could not attend due to lack of basic hygiene products. Generally, every year of education for a young girl delays becoming a mom by at least another year. Once becoming a mom, education is left behind as a priority. Knickers for a New Life is making a huge difference in Uganda, currently supporting over 3500 students in six schools. This support is life changing for students.

The Region X event also raised money for KFNL to assist in providing a new life for many young girls. Prior to starting the program, Watha had displays of *ASANTE Scents for a Cause* items for sale, with proceeds benefitting KFNL. Attendees also had the opportunity to purchase raffle tickets to

win a beautiful gift basket and several gift boxes of Certified Direct Trade Uganda Dark Chocolate. All proceeds from the raffle also went to support Knickers for New Life. The total amount raised from the raffle, centerpieces, miscellaneous donations, and money given directly to Watha was \$2647.00. In addition, Alpha Nu provided a booth for chapters to give their coins or any other amount to UNICEF for Schools for Africa.

Alpha Nu Chapter did an amazing job hosting this outstanding event providing wonderful snacks and personalizing name tags for seating assignments to ensure opportunities for attendees to meet a fellow sister from another chapter. Rhonda shared, “It was so much fun socializing with long time sisters and meeting new sisters in Morganton.”

Rhonda Hager and Delta Tau President Lisa May

Knickers for New Life (KFNL) Fast Facts

Most girls in Uganda miss a week of school each month and eventually drop out.

Without an education, these girls are faced with a life of poverty, disease and HIV, child marriage/teen pregnancy, and are at risk for human trafficking.

KFNL focuses on providing access to basic sanitary products - undergarments (knickers) and sanitary pads.

A donation of \$35 helps one girl (with knickers/pads for one year to stay in school.

KFNL also helps to build girl’s and boy’s latrines, provides mosquito-repellant soaps, and Tippy Tap hand wash stations.

Currently, KFNL serves six schools and over 3500 students.

Visit Knickers for New Life [website](#) to learn more or make a donation.

In-Person 2022 NC DKG Convention ... Right Around the Corner!

NC DKG's first in-person convention in three years will be held April 29 – May 1, 2022 at the Asheville Crowne Plaza Resort. On-site registration will open at noon on Friday.

Before the Opening General Meeting/Awards Night at 7:30 p.m. on Friday, a group of attendees, led by NC DKG President Beth Winstead and DKG President Becky Sadowski, will work at MANNA FoodBank, part of Feeding America, the convention project. The group will fill boxes and process food for distribution to families in need in western NC. A collection box will be set up at the convention to accept monetary donations to MANNA.

Other highlights of the convention will be the announcement of award winners on Friday night, the Annual Board Meeting of the NC DKG Educational Foundation, the President's Banquet on Saturday night, and the Ceremony of Remembrance on Sunday morning. The true highlights of the convention, however, will be the hugs and smiles for old and new friends, together again.

NC DKG Education Law and Policy Committee

Stay Informed...

Have you heard about legislative proposals to change the way teachers are promoted and compensated in NC? Or the new legislative committee gathering ideas to establish a different NC education system? Learn more about these items and how your chapter can advocate for teachers. Check out our folder for legislative updates and NC legislative seats up for election this May. Stay informed at <https://bit.ly/NCDKG-ELP>.

2022 New Chapter Leader Training

New chapter leaders for the 2022-2024 biennium should attend the summer New Leader Training.

This event includes information for presidents, treasurers, membership chairs, and education excellence chairs. The 2022 summer New Leader Training will be a virtual event held on **Saturday, June 18, 2022**. It is extremely important that new leaders plan to attend the training. Watch *NC Data* and your email for more details and the registration form.

Convention Workshops Full of Information, Fun, and Surprises!

Convention Workshop Chair and NC DKG Second Vice-President, Tammy Collom, says attendees should be

prepared to learn and have fun when attending the upcoming state convention. Numerous workshops are scheduled with a wide variety of topics. The four categories for convention workshop offerings are Teaching and Learning, DKG Society Business, Self-Care, and Creative FUN! Session topics include nutrition and emotional care, virtual learning, chapter fundraising, leadership and mentoring, and art for all. Workshop presenters are following President Beth's goal to learn and have fun together.

Delta Sigma members Kennan Eaddy, Rhonda Hager, and Kelton Boorman have already registered for the 2022 conference and plan to learn, network, and have fun!

DKG News Available Online

The March/April issue of *DKG News* is now available online for members. It features the 120 proposed amendments to the Constitution and International Standing Rules that will be discussed at the New Orleans convention, July 12 – 16, 2022.

Because there has not been an in-person convention since 2018, some proposals have been carried forward with the proposer's consent and others are new submissions. Pages 11-85 deal with the proposals. Download this large edition from the Publications section of the [DKG News page](#) once you are logged into the DKG website.

Leadership Links Everyone

Spring is a time of rejuvenation. Take this time to think about the things that you do well and how you can apply those things to helping within your local chapter. Inductions and officer changes are common at this time of year.

Maybe you want to step up to a leadership position. Maybe you are not ready to commit to being an officer, but take time today to find a least one way to be **active** in DKG.

This Leadership Tip of the Month provided by the NC DKG Leadership Development Committee.

Three NC DKG Members Published in DKG Bulletin

Collegial Exchange Articles by three NC DKG members were selected for inclusion in the 2021 Volume 88-2 issue of *The Delta Kappa Gamma Bulletin: Collegial Exchange*. Lori Holguin, Delta Chi (Region IX, Wilkes), contributed an article titled "The 'Reluctant' Leader." The article is found on pages 20-22. An article by Gloria Jones, Kappa (Region XIII, Mecklenburg), titled "Keeping the Dream Alive - A Chapter Project" is located on pages 26-27. Helen Smaw, Alpha Psi (Region II, Craven & Pamlico), contributed a poem titled "O Delta Kappa Gamma" found on page 31.

The International Move Complete

As of March 1, 2022, the move from the brick building at 416 W. 12th Street, Austin, that DKG has called Headquarters for many years, is complete. Headquarters staff is still intact, working on a hybrid schedule and meeting the needs of members as usual. While it was bittersweet to leave the building, Executive Director Nita Scott says she looks forward now with excitement. (See more of her comments in the Mar/Apr *DKG News*, page 4.)

Committee Reports/Announcements

Beginning Teacher Support Committee (*Katie Crocker*): Beginning teachers in the district met on April 4th. Delta Sigma gave each teacher a bag of Jolly Ranchers with the following note: *Choose to be JOLLY as often as possible!! LCS is LUCKY to have YOU!!! From DKG (Delta Sigma Chapter)*. A huge thank you goes to the Beginning Teacher Support Committee for providing this treat.

Communication and Marketing Committee (*Elaine Boysworth*): If you would like to have a new photo in the 2022-2023 Delta Sigma Directory, plan to have your photo taken at the April meeting. Please arrive about 15 minutes early for photos.

Finance Committee (*Libby Fletcher*): We hope to see you all at the April meeting. Please bring your check for **\$89.00** or Venmo your **dues payment by the April 28th** meeting. There may be a prize awarded for this accomplishment!!! Let's set a record and have ALL dues paid by May 1st!

Reminder - The Delta Sigma Venmo account @deltastigmaDKG was established to assist members in paying dues or donations electronically. **With the first transfer** made to this account, members will be asked to confirm the Delta Sigma DKG identity by entering the last 4 digits of the phone number. *You can click "Pay without confirming" as long as you see our DKG photo.* You **MUST** put details in the memo – for example, 2023 DKG dues. Members may still continue to pay with cash or checks, but please be mindful of the deadline for payment of dues!

Legislative Law & Policy Committee (*Heather Myers*): Tuesday, May 17th is Election Day for the 2022 primaries. Polling places are open from 6:30 a.m. to 7:30 p.m. Three school board positions will be determined in November; however, primaries are an important step in determining the final candidates. Exercise your right to vote!

Scholarship/World Fellowship/Schools for Africa Committee (*Judy Shuford*):

The **Cornet Individual PD Award** will fund participation in conferences, seminars, lecture series, online courses and workshops plus other degree programs. The deadline for application is **May 1**. Applications are found on the [DKG website](#) (log in required).

The Scholarship Committee will be recognizing scholarship winners for the Delta Sigma Future Educator Scholarship and Annette Geymont Memorial Scholarship at the April 28th meeting. The Buzzing BEE Award (Beginning Educator Excelling Award) and our Delta Sigma Grant-in-Aid Award for professional development will also be recognized.

Membership and Nominations Committee (*Rhonda Hager*):

Induction of Nine New Members

Members of Delta Sigma are pleased to be inducting nine new members at the April 28th meeting. Please take time to get to know the new members (see page 8) and welcome them into our chapter. I encourage you to wear your Name Badge to the April 28th meeting so people can begin learning and relearning the names of our 52 sisters plus our nine new members. I am so excited to see many of our sisters come together for this special ceremony.

Membership Milestones

Delta Sigma members attaining membership milestones will also be recognized at the April 28th meeting. These members reached these important milestones during the pandemic, in either 2020, 2021, or 2022. (See more information on page 2.) These ladies are being honored in the 2022 NC DKG Convention Program. An ad was purchased in their honor listing their names. Please make a special effort to attend this meeting where we will recognize our sisters who have been long-time members of Delta Kappa Gamma, contributing greatly to our chapter and society

Delta Sigma Installation and Summer Planning Meeting

Mark your calendars for **Monday, June 27 at 3:00 p.m.** for the installation of new officers and the summer planning meeting. This will be an important meeting to spend time getting to know new sisters and new committee members for the next two years. We plan to have a great celebration honoring Kennan for her two years as president during the pandemic. She has done an amazing job! Mark your calendars NOW for Monday, June 27th at 3:00 pm at Boger City Methodist Church!

Delta Sigma Member Published in DKG Gallery of Fine Arts

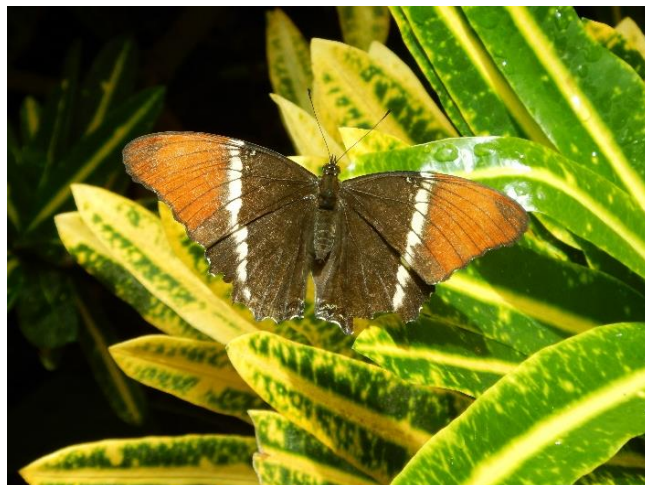

Recently, the Arts & Humanities Jury of The Delta Kappa Gamma Society International notified Elaine Boysworth that her two photography submissions were accepted for publication in the 2022 Spring DKG Gallery of Fine Arts, an online gallery of works of art and letters.

The photograph below depicts Elaine's first view of the Mackinac Bridge connecting the Lower and Upper peninsulas of Michigan. The "Mighty Mac" is the longest suspension bridge between anchorages in the Western Hemisphere and fifth longest in the world. The bench is the perfect place for people and birds alike to view the bridge as it appears to vanish into the Straits of Mackinac where Lake Michigan meets Lake Huron.

"A Perch with a View" by Elaine Boysworth

Elaine's second photograph was taken at the Key West Butterfly and Nature Conservatory. It is focused on the stripes of the Queen Swallowtail butterfly along with the stripes on the plant's leaves – "stripes were everywhere and in every direction!"

"Stripes" by Elaine Boysworth

The 2022 Spring DKG Gallery will be displayed online for six months at www.dkg.org. Check out the other photographs and amazing works of art from members around the world! The next submission period for works of art is from August 15 – September 15, 2022. Elaine encourages other Delta Sigma members to participate and make submissions. Share your talents with your DKG family!

Welcome New Members

Please take time to welcome educators who will be inducted into Delta Sigma on April 28th. These prospective members and their sponsors attended an interactive orientation session on March 14th hosted by the Membership Committee.

Inductee	School
Amy Fonseca	Childers Elementary
Kathryn Graham	St. James Elementary
Melanie Jarrell	West Lincoln Middle
Brittany Link	Catawba Springs Elementary
Chelsea Proctor	Battleground Elementary
Autumn Pyrtle	Lincolnton High
Kim Santos	Childers/NorthBrook
Stephanie Schou	North Lincoln Middle
Kathryn D. Wright	Childers Elementary

Sister-Sister Connections

In February, the Membership Committee paired working and retired members to begin Delta Sigma's Sister-Sister member engagement project.

Below are a few comments about Sister-Sister activities during the last few months.

"**Sara Miller** and I had a lovely conversation via phone yesterday, about half an hour. I enjoyed 'visiting' with her! Thanks for a fun idea for getting to know our sisters!"

– **Jenny Dellinger**

"I enjoyed taking lunch to my sister **Jennifer Huskey** at NLHS. Since she was my student at LHS, we have common history there.

We also talked about the beginning times of NLHS and my time there. ... Great idea for some intentional communications and interaction." – **Libby Fletcher**

"**Kqisha (Dagenhart)** became a teacher because she needed another class in high school and decided to tutor. She tutored Math I students and found out she was really good at it. Thus, Kqisha became a fantastic math teacher and now principal. You never know how one thing can make you realize you want to be a teacher." – **Rhonda Hager**

"**Jennifer Carroll** and I talked via phone and met for dinner. We talked about so many things – from education to theatre to basketball! (Jennifer's daughter, Megan, will appear as Dorothy in the upcoming production of *The Wizard of Oz* presented by The Lincoln Theatre Guild.) Jennifer originally wanted to be an archeologist and later thought about becoming a lawyer. However, after spending time with a group of prospective educators at Catawba College and enjoying her work with students in recreation programs, she decided education was really the field for her. As we know, Jennifer became an outstanding elementary teacher and is now a successful principal." – **Elaine Boysworth**

Sister-Sister Spotlight

By **Edwina Beam**

"I thank you for giving me **Renee Smith** as my Sister-Sister partner. Meeting at Lincolnton High where Renee has taught math for 20 years and now head of the department, and where I had also taught math, we talked about family, religion, education, and life in general – a rewarding experience."

I asked Renee, "Why do you LOVE education?" Renee's response was, "I love those light bulb moments especially from the lower students. They seemed to have more AH HA moments. It is exciting to see them grow. Not

only do I want to help all become better students, but also better people. I do not hesitate to tell them I love them and to let me know if they are having a bad day. ... High school students stay hungry and they cannot learn if they are hungry. I keep snacks such as granola bars for any student who is hungry."

We continued with the question, "What drove you to make a difference choosing the profession?" Renee responded, "I did not just choose this profession and pursue it immediately after high school. My path to this point had a lot of stops, curves, and detours. Being part of a military family, I graduated from high school in Germany. Influenced by my math teacher and his wife, I attended college, studying math for a year and a half in Hawaii where I had relatives. Then I met my future husband who was in the army, stationed in Hawaii and from Lincolnton, NC. We returned to Lincolnton, married, and have two special needs children.

Other professions I tried were not satisfying. I realized God was calling me back to the teaching profession. I earned my degree from Lenoir Rhyne University, did student teaching under Libby Fletcher, and was then hired by Rhonda Hager, the principal at LHS at that time. It is the God in me that wants me to meet these students on their level, nurture them to become a whole person/student and also teach them some math – this is my goal!"

Mission Statement:

The Delta Kappa Gamma Society International promotes professional and personal growth of women educators and excellence in education.

DKG International Vision:

Leading Women Educators Impacting Education Worldwide

NC DKG Vision:

Voices of Influence Empowering NC Women Educators
