

## Speak Up For Children

By: Elaine Boysworth

The **Delta Sigma** chapter of **Delta Kappa Gamma Society International** held its fall meeting on Thursday, November 14th, at Boger City United Methodist Church in Lincolnton.

Elaine Boysworth greeted members and shared excerpts of a Thanksgiving essay written by Alex Haley and provided the invocation. The meeting was hosted by the members of the Publicity and Communication Committee. Jill Eaddy introduced the two speakers for the evening – Sandy Kennedy and Charlie Bohlen. The program highlighted foster care in Lincoln County, along with the services of Speak Up For Children.

Sandy Kennedy has worked at the Department of Social Services (DSS) in Lincoln County for 29 years and currently serves as program manager. Mrs. Kennedy shared the process involved with the foster care program. DSS averages investigating 90 cases of neglect and abuse each month, according to Kennedy. Some of those

*Ms. Sandy Kennedy*

investigations result in removal from the home and placement into foster care. By sharing anonymous case studies, she highlighted possible outcomes for foster children from adoption to reunification with parents. In October 2019, twelve children were released from DSS custody. Five cases resulted in

reunification with parents; three children were adopted, and in four cases, guardianship was awarded.

Charlie Bohlen, a former educator in New York and North Carolina, shared information about the Guardian ad Litem Program. The program utilizes trained volunteers and was established by the NC statute in 1983. Each child in DSS custody is provided a

*Mr. Charlie Bohlen*

Guardian ad Litem (GAL) who serves, along with an attorney advocate to provide team representation for a child in trial and appellate proceedings. In Lincoln County, there are approximately 33 trained Guardians ad Litem. Lincoln County GALs may advocate for over 100 children at any one time. These children often have many unmet needs, such as clothes, shoes, and assistance with school-related activities and additional opportunities that are available to other children. As a result, the GALs in Lincoln County organized Speak Up For Children (SUFC). This organization is a non-profit 501(c)(3) organization that raises funds and solicits in-kind donations to provide opportunities and fill unmet material needs for the children they serve, thus providing hope and a sense of normalcy in their disrupted lives. SUFC also supports the Guardian

---

ad Litem program by assisting in volunteer recruitment and on-going training.

During the holiday season, Speak Up For Children sponsored the 2019 Holiday Tour of Homes. Proceeds from this event are used to benefit the foster children of Lincoln County. Mr. Bohlen encouraged members of **Delta Sigma** to continue their active support for this fundraiser. The tour was held on Friday, December 13th, 2019, from 4:00 p.m. to 9:00 p.m. The tour offered the opportunity to enter some of Lincoln County's most beautiful private homes and a historic church, all decorated for the holidays.

---

## Tour of Homes Success

**Delta Sigma** members volunteered to assist at the 2019 Holiday Tour of Homes fundraiser sponsored by Speak Up for Children in December. Volunteers assisted by checking tickets and serving as hostesses in various rooms at tour sites. The tour offered the opportunity for community members to visit several beautiful, magnificent homes and First United Methodist Church. Some homes featured remarkable architecture and stunningly handcrafted furniture pieces. Each site had its unique qualities that amazed all.

*First United Methodist Church*

The participants were all extremely appreciative of the homeowners for graciously opening up their homes to so many visitors. These homeowners took time

out of a hectic holiday season to help improve the lives of the Lincoln County Foster Children.

Homeowners who participated included:

- ♥ Saine-Rudisill circa 1905  
Ed & Emma House  
Eva House
- ♥ Loft at 121  
Wayne and Tayler Brooks

First United Methodist Church and the members of the church who provided refreshments.

Twenty **Delta Sigma** members participated in the Tour of Homes totaling 80+ volunteer hours. Our volunteers served as hostesses in the homes and assisted folks who were touring. Funds from this event are used to pay for tutoring, special events like birthday parties or prom, sports equipment and registration fees, clothing, camp, amusement park fees and any other activities that will help bring normalcy to foster children's lives.

Thank you members who volunteered and for members who bought tickets for this event. This was one of **Delta Sigma's** community service projects and benefited the children in foster care in Lincoln County. It was definitely a win-win project!

---

## Delta Sigma Chapter Focuses on Service and Fellowship

At the January 27th meeting, members spent time together focusing on service and fun. Kennan Eaddy welcomed members and Lincoln City Councilman Dr. Martin Eaddy to the meeting hosted by the Program and Fine Arts Committee. The invocation was provided by Jill Eaddy. Kennan reminded all members of the upcoming fashion show fundraiser to be held on April 4th, 2020. She asked each member to sign up for a role in making the fashion show success to support the chapter's efforts in providing scholarships for future educators.

**Delta Sigma** member Kristen Reynolds shared her experiences in Uganda while on a mission trip. She shared some alarming statistics regarding unschooled children. Over 262 million children and youth worldwide are uneducated.

*Kristen Reynolds*

Approximately 57 million of those are elementary children, and 50% of those children live in sub-Saharan Africa, where only 83 girls are enrolled in school for every 100 boys. There are numerous reasons for these issues. Schooling is not free in most African countries and communities. Villages also lack educated teachers and facilities. Other factors include disease and even government corruption. Kristen also shared her personal experiences in Uganda with an eight-year-old boy named Moses.

As she shared his picture, Kristen described Moses as a village boy who loved soccer. He was not part of the orphanage that the mission group served, but he asked to stay if he would help translate for the children in the orphanage. Moses was unable to go to school because his mother was a single parent, and he didn't have anyone who could pay his school

fees. Unfortunately, there was not a way to sponsor him or pay his school fees. The best gift the group could offer Moses was a new soccer ball. Kristen indicated she did not know if Moses ever got to go to school, but thought it was likely he did not. Kristen shared that she would never forget his face, his compassion, and the thought that children like him around the world don't have the same opportunities as our children. Her prayer for Moses has been that, just as his name's sake, he was delivered to a life outside of poverty and disease and hopefully obtained an education that has led him to be able to provide for his family. Children like Moses are why we help and support Schools for Africa.

In 2010, Schools for Africa became the first international project of **Delta Kappa Gamma Society International**. The project serves 13 African countries and involves providing access to quality basic education for children with a primary focus on girls, orphans, and those most vulnerable. Within these countries and communities, UNICEF works to help communities participate in school management; build schools and classrooms; create environments where students can play and learn safely; provide clean water and sanitation facilities that are separate for boys and girls; supply furniture and items for daily school lessons; train teachers; educate about hygiene, HIV, and other communicable diseases; and provide interventions such as health

check-ups, immunizations, and scholarships. To raise funds for this worthy project, Kristen offered several items from her most recent trip to be purchased for a donation to Schools for Africa. **Delta Sigma** members showed tremendous support by collecting \$438.00 for the Schools for Africa project.

The fun and fellowship began when Jill Eaddy introduced Beth Wise, a former Lincoln

County Schools teacher. Beth shared how she got her start in cake baking and making cakes for a variety of occasions. She has provided several adult classes about cupcake designs and has even

*Edwina Beam*

instructed at a cupcake camp, teaching her expert skills to others. She demonstrated how to create icing bags with baggies and icing tips and how to properly hold the icing bag to get the best position for decorating a

cupcake.

Following Beth's instructions, each member created multiple cupcakes. Some decorated with flowers; others created unicorn cupcakes. The activity was challenging, but members had fun creating the cupcakes together and enjoyed the time to fellowship. Cupcakes were placed in a plastic cup and

wrapped for delivery to Amy's House, a local shelter for

*L to R: Heather Myers, Sherry Hoyle, and Elaine Jenkins*

women designed to provide a safe haven for families displaced by domestic violence. **Delta Sigma** members hoped to bring a little sweet treat to the women and children housed at Amy's house.

## **Hall Guest Speaker at February Meeting of Women Educators**

The Finance Committee sponsored the meeting on February 13th, Wendy Mosteller welcomed members to the meeting and provided the invocation.

President Rhonda Hager introduced the guest speaker, John Hall, who serves as the Executive Director of Hesed House of Hope, a community shelter for the homeless in Lincoln. Hall shared the history of Hesed House, indicating the shelter first opened in 2008 and rotated between five churches for the winter season. Through the work of many local churches, organizations, and volunteers, a permanent shelter was built and opened in 2012 as a wintertime shelter. The shelter began to remain open all year long in 2018 through continued community support and partnerships. Currently, the shelter is expanding to add two family rooms with eight more beds.

Hesed House is a non-profit organization and is currently the only homeless shelter in Lincoln

*Mr. John Hall*

County. The goal of Hesed House is to provide temporary housing and food, allowing individuals to regroup and get back on their feet. Hall stated that the philosophy of this faith-based organization is to provide a hand up, not a handout. Assistance is provided to help clients with housing and in their search for employment. Clients also attend classes on various topics, including health education, CPR/First Aid, and finance. Hesed House provides Jobs for Life training, a 16-

---

week program that teaches the value of work and many of the "soft" skills needed in the workplace. Hall shared several heartwarming stories of individuals and families who have benefited from the services provided by Hesed House. After the presentation, members of **Delta Sigma** donated funds to help support the work of the shelter.

Before the business portion meeting, President Hager recognized **Delta Sigma** members with ten or fewer years of membership in DKG and highlighted the contributions of each individual to

*Kristen Miranda, WBTB anchor*

the chapter and DKG. President Hager also stressed the responsibilities of all members for the upcoming fashion show fundraiser. This year's fashion show will be held on Saturday, April 4th, 2020, at the First Methodist Church Fellowship Hall in

Lincolnton. **Delta Sigma** is pleased to announce Kristen Miranda, WBTB anchor, will serve as emcee for the show. Tickets are \$15 each and may be purchased from any **Delta Sigma** member.

The business meeting was called to order. The minutes of the last meeting and treasurer's report were approved. President Hager discussed progress

*Members with less than 10 years of service.  
L to R: Heather Myers, Kellie Goins, Elaine  
Boysworth, Brenda Kinney, Keshia Ruppe,*

toward the Chapter Achievement Award and attended to business related to the upcoming state convention. Members voted on officers for the next biennium (2020-2022) before the meeting was adjourned.

---

## New Officers

The Membership/Nomination Committee announces the election of our new officers for 2020-2022.

President - Kennan Eaddy  
Vice-President - Dr. Sherry Hoyle  
Secretary - Shelia Wright  
Treasurer - Lori Haight

Summer Leadership training for new officers will be held in Black Mountain on Tuesday, June 30th.

---

## Membership Dues

Delta Kappa Gamma membership dues will be due at the April 23rd meeting? Dues are \$89.00 for the 2020-21 year. If you are unable to attend the meeting, please make arrangements to pay your dues to Laurie Sellers by April 23rd. Checks should be made out to **Delta Sigma**.

---

## Your Opinion Counts

The NC DKG Education Law & Policy Committee is working on setting a date to visit legislators in Raleigh.

Please complete the one question survey located on the NC DKG website <https://www.ncdkg.org/>

The survey will be open until **March 6th**.

---

## Message from Dr. Teresa Cowan, NC DKG President

### Carpe Occasionem:

Seize the Opportunity

Deadlines...Do you feel overwhelmed by life's deadlines? In your chapter, do you "seize the opportunity" to GROW?

Did you reflect upon your

participation in the past year in order to strategically plan for the future? Remember, GROWth is a daily choice. Let me share a few examples where members/chapters/ regions "seize the opportunity" to GROW!

See Region IX GROW! Growing our Connections Regional Event cultivated fellowship with Generations of DKG members

See Alpha Omicron GROW! Service Outreach Committee conducted a "hot-dots" survey to determine areas of service

See Alpha Eta GROW!  
Chelsey Smith & Abigail King (BTs at their school) accepted Opportunity for Leadership

See Gamma Psi GROW!  
Karen Spencer presented Kisses from Katie, Well-Defined EEC Program enhancing SFA awareness

*"We make a living by what we get, but we make a life by what we give."* - Winston Churchill

**Question to ponder:** Are you getting or giving? In other words: Are you "giving" through your membership in NC DKG in order to make a "life"—a life that makes a difference?

## Headquarters is Convention Project

Region VII has chosen NC DKG Headquarters as the 2020 Convention Project. Cash or checks will be accepted.

Nancy Teague, Convention Chair, and Region VII committee members chose Headquarters because of its value to our organization and its on-going maintenance needs.

NC DKG's charter hangs on Headquarters' wall, alongside pencil etches of all state past presidents and a beautiful handmade quilt depicting each chapter in NC. Headquarters' budget is self-supporting and depends on chapter and individual contributions, gifts, memorials, and investments to maintain its health.

Headquarters, dedicated in 1999, experienced some well and pump issues last year and, as with any facility that age, there will continue to be expected and unexpected maintenance needs. The annual budget may not account for all the needs, so Headquarters makes a good convention project. The Headquarters link on the NC DKG website includes information about the Pave the Way brick project and the collaborative nature weaving from the Asheville International Conference.

---

## Calling Musicians for the NC DKG Convention

By: Susan Kunar, Convention Music Chair

We need all musicians who are coming to the convention to be in the choir!

I have two simple pieces for us to sing on Sunday for the Ceremony of Remembrance. You may know these pieces already; if not, here is a link for each song for you to preview. I promise they are easy!

- 🔔 "Hymn of Promise":  
<https://www.jwpepper.com/sheet-music/media-player.jsp?&type=audio&productID=3107927>
- 🔔 "We are the Dreamers":  
<https://www.jwpepper.com/sheet-music/media-player.jsp?&type=audio&productID=3107927&type=audio&productID=3272408>

I have a wonderful children's choir for Friday night, a soloist from Weaver High School for Saturday night, and our conference choir for Sunday morning!

If you have any questions or want more information about the choir, contact me at [susan.kunar1@gmail.com](mailto:susan.kunar1@gmail.com). Let's GROW!

---

## 101 Challenge

The NC DKG Educational Foundation encourages members to show their love and celebrate a teacher by participating in the 101 Challenge.

The 101 Challenge recognizes teachers for their hard work and the impact they have made in the field of education. With a \$10 donation, you can recognize a special teacher in your life.

As an added bonus, an individual has offered to double all donations made in February. "So, please donate now," urges the Foundation Board. All certificates and information can be found on the Foundation website. Click on the 101 Donations Tab at the top of the page.

---

## Doctoral Recognition in Philadelphia

Members who have completed their doctoral degrees between July 1st, 2018 - June 30th, 2020, will be recognized and honored at the 2020 DKG International Convention in Philadelphia. To be recognized, members must submit the following documentation by April 30th, 2020:

- A copy of the dissertation inside cover page with the appropriate faculty signatures.
- A copy of the inside cover page with the name of the author, title of the dissertation, particular degree earned, and date it was conferred. This information may be sent in any of the three following ways:
  1. An electronic file source such as Proquest.
  2. An email attachment sent to [lishf@dkg.org](mailto:lishf@dkg.org).
  3. Printed copies mailed to The Delta Kappa Gamma Society International, Attn: Phyllis Hickey, 416 W. 12th St., Austin, TX 78701

**Delta Sigma** members-be recognized for your accomplishments!

Dear Sisters,

At our July 2019 Summer Planning Meeting, we had a great time with a Ready, Set, Grow activity. Through this activity, members were challenged to

find other members that had completed specific activities/events that revealed evidence of growth. I am so proud as I work to document our chapter achievements, it is amazing to see how **Delta Sigma** is growing.

Our achievements include the induction of 11 new members to the **Delta Sigma** sisterhood in September. November brought an excellent program about Speak Up for Children and twenty **Delta Sigma** members volunteered at the Tour of Homes to benefit that group, which directly supports foster care children. In December, **Delta Sigma** members serve on a panel to share experiences with Lincoln County Beginning teachers (BT 1's and 2's). We fellowshiped at our January informal gathering as we had a fun time decorating cupcakes and learning new techniques. These beautifully decorated cupcakes provided a sweet treat for folks at Amy's House. We heard a beautiful story of a young boy named Moses from Kristen Reynolds' mission trip to Uganda. **Delta Sigma** gave generously to Schools to Africa at this meeting contributing \$438.

I appreciate each of you because it has been a chapter effort as we strive to earn a Superior Chapter Achievement rating. Between now and the end of February, I will be reaching out to members as I double-check our data and information about our **Delta Sigma** work for the March 1st submission. It is such a pleasure to serve as president of such a fantastic group of dedicated women educators. You ladies do awesome work supporting education in so many different ways.

### Fashion Show

Please see the special article on the Fashion Show. This is our biggest project of the year as we fundraise to support our high school scholarships, member scholarships, and beginning teacher support. We need ALL members to be involved in this crucial project. There is a way for each member to utilize YOUR special gifts and talents in this project. Please make sure you have signed up with Kennan for your role. ALL HANDS ARE NEEDED to make this project successful!

### NC DKG Convention

State Convention is approaching. Did you know **Delta Sigma** receives chapter achievement points for each member who attends the convention? Attending convention gives so many opportunities to network with other members across the state and learn about the important work of our organization. This year's convention is being held at the Embassy Suites in Greensboro, May 1-3. Registration is very reasonable, and you can choose to attend just part of the conference. Saturday will be filled with business sessions where chapters and individuals are recognized for accomplishments, choice sessions led by DKG members, and a wonderful dinner and fellowship. Sunday will be the Celebration of Remembrance, where DKG members who have died in the last year are remembered and celebrated by family and DKG sisters. Our own Annette Geymont will be among the sisters recognized. We want to have a great turnout of **Delta Sigma** sisters for this event. Also, Sunday is a wonderful brunch where more achievements are recognized and a wonderful time of fellowship. I encourage you to check out the NC DKG Convention information at <https://www.ncdkg.org/2020-convention.html>

Sincerely,

Rhonda Keever Hager  
Delta Sigma President 2018-2020  
704-740-8278

---

## Planning for 2020 Fashion Show Off to a Great Start!

Preparations are underway for the 2020 fashion show, and April 4th will be here before we know it! This fundraiser finances the important work of our scholarships for high school seniors and our members as well as our beginning teacher support committees. Several **Delta Sigma** members have been coordinating plans with a number of our members and community contacts to make this fundraiser a huge success. Our goal this year is to increase our member participation to ensure the fashion show remains a viable fundraiser each year.

This year, the fashion show will be held on April 4th, 2020, at First United Methodist Church in Lincoln. We are excited to have guest emcee Kristen Miranda from WBTV again this year. Our models are lined up and will don the latest fashions from Chicos, 7th Moon Boutique, Redbone Willy's and The Leprechaun. Crafted Mercantile will provide its own models again this year. We are thrilled to have a new vendor, Twisted Tulip in Denver! The addition of Twisted Tulip extends our Fashion Show's reach across the entire county. Additionally, **Delta Sigma** member Kelton Stone has worked with Westmoreland Printers in Shelby who have donated their time and resources to design and print new tickets and posters for us!

Food preparation will be led by Jill Eaddy, Becky Heavner, and Elaine Boysworth. Wanda Lutz will be managing the distribution of tickets and collection of money for the show assisted by Melissa Dellinger. Please support these members if your assistance is requested. It will take all of us working together to make this show successful!

Show tickets were distributed to members at the February 13th meeting. Money must be returned on Friday, March 20th, using a drive-through at Boger City Methodist Church. We will be at the church from 3:00–5:00 p.m. that day. This will give you a month and a half to sell, sell, sell! If anyone has trouble bringing their money at that time, please

contact Wanda, Rhonda, or Kennan and we will make plans to get it. Guest tickets are \$15.00 each. The executive board voted to keep the price of member tickets at \$10.00 each. ALL members are expected to buy their own ticket. Members who do not prepare food will pay an additional \$15.00. We will NOT collect any money for food preparation until the day of the Fashion Show. This will avoid any confusion. All 55 members are expected to sell a minimum of two tickets. Of course, we all need to sell as many tickets as possible! We have 210 tickets to sell.

There will be a form that will need to be turned in with your money again this year. This form will tell us who purchased the ticket, whether it was a check or cash, any returned tickets, and whether you want your persons to sit together. It is very important that this form be returned with your money. Your member ticket money should also be included on this form and turned in on March 20th. You will not have a paper member ticket.

We also plan to have door prizes at the show. We had a wonderful response from the community last year. This year, we are going to coordinate the collection of door prizes. If you are unsure of what day-of service you can contribute to the fashion show, door prizes might be a good way to contribute beforehand. Please let Kennan know if you are interested in helping! Forms will be given out to use when receiving a donation so we have the information needed for thank you notes.

We will plan to provide another gift card arrangement for Kristen Miranda as a thank you this year. If anyone would like to donate a gift card to go towards this gift bring it on March 20th when you turn in your money. Just put it in an envelope with your name and specify that it is for Kristen Miranda. Thank you in advance for your help!

We will be sending out reminders as it gets closer to the fashion show. In the meantime, mark your calendars for April 3rd and 4th. We will be setting up on April 3rd from 3:00-5:ish until finished. Let's make our tenth annual fashion show one to remember!

## Fashion Show Ticket Sales

Ticket Prices: Guest Tickets - \$15.00 each (All members have been asked to sell 2 tickets)

Members Ticket -\$10.00 (All members are expected to purchase)

So far ...37 members out of 55 members have gotten Fashion Show tickets to sell.

If you need tickets, please contact Wanda Lutz ([whlutz@bellsouth.net](mailto:whlutz@bellsouth.net) or 704.472.7600). Let Wanda know if you have tickets you are NOT going to sell. She can redistribute them.

Rhonda Hager ([rhondahager2013@gmail.com](mailto:rhondahager2013@gmail.com) or 704.740.8278) can also assist with ticket distribution, including pick-up of unsold tickets or ticket money from members. Please do not wait until March 20th to let us know you have unsold tickets. Let us know now so we can get the tickets redistributed to other members.

A reminder that March 20th is our date to have all tickets sold and funds turned in at Boger City United Methodist from 2:30–5:00 p.m. If you have sold your tickets and want to turn in your money before March 20th, feel free to contact Wanda or Rhonda.

Thank you for your help with getting all 210 tickets sold before March 20th!

*Do you remember these models and the emcee from last year?*

## Planning for Next Biennium 2020-2022

It is the time of the year that we begin to prepare for the 2020-2022 biennium. At the February meeting, officers were elected. Next, members will be asked to serve as Chairpersons as different committees. How will you GROW in the next biennium with DKG? Please consider saying "YES" to DKG when you are approached about being a leader. It takes leaders in many different areas to comprise our **Delta Sigma** Executive Board.

### DKG NEWS Online

Stay informed about all levels of our Society. Are you growing as a **Delta Sigma** member by staying connected through the DKG International website?

There are so many resources located on this website but to get ALL the information you must log in using your member number and a password. Also, on this website is listed your profile with your email, phone, and address. Get logged into the website and check on your profile to make sure it is accurate. This is another opportunity to earn chapter achievement points by having members profiles listed and updated. Let's GROW, GROW, GROW.

If you are unsure of how-to login or your membership number or any question, feel free to reach out to Rhonda Hager by email, text, or by phone.

## Recognition, Awards, and Celebrations of Members

Please share joyous and celebratory news with our members, email your news to the editor, Jennifer Luper ([jenniferluper@att.net](mailto:jenniferluper@att.net))

### Awards:

**Kennan Eaddy:** received National Board Certification in Counseling. Congratulations! Way to Grow!

**Kelton Stone:** The Maxine and Don McCall Endowment Grant are being used toward "The Keys to Success" piano lab!

**Melissa Dellinger:** Bosche Grant for \$10,000 Melissa Dellinger, recipient of the Bosch Community Fund Award to support Girls Excelling in Math and Science.

### Celebrations:

**Frankie Beam:** New Granddaughter—Keelie Grace Specht born on February 23rd, 2020. Congratulations!

### Committee Reports:

**Scholarship Committee:** Scholarship applications due on March 11th, 2020 for Advanced Degree and Staff Development. Please contact Judy Shuford for an application.
