Reminder:

The next deadline for applying for the Cornet Individual Award for Professional Development (CIPD) is September 1, 2018. Guidelines and application forms are available on the [DKG Foundation website](#).

Congratulations to Gayle Reid! Gayle is the recipient of the 2018 Golden Key Award for Region X. Only one nominated member of each region earns this Eta State award. According to the Eta State Award Guidelines, “The award is designed to honor members who are in the background getting things done without personal glory or gain for themselves ... members who are the backbone of chapters ... who are the thread that holds the chapter together and have a deep and abiding love for DKG.” This certainly describes our sister Gayle.

The Golden Key Awards for each region were initially presented at the Eta State Convention. However, Donna Rudisill, Chair of the Eta State Awards Committee, and Amanda Moose, Region X Director of Eta State, made a special presentation of the award to Gayle Reid at the May 10th meeting and awards celebration of Delta Sigma. Donna emphasized the state award is intended for members who work behind the scenes. She described Gayle as – “the golden thread that holds the organization together ... quiet, gentle, dependable, reminding us of our purpose in DKG.” Donna acknowledged that Gayle has been a valuable resource to DKG through her work with various committees, as a chapter charter president, and also as a regional director.

Gayle Reid and Donna Rudisill

Gayle received her graduate and undergraduate degrees from the University of Vermont and taught at the upper elementary level in Vermont for 19 years. She taught first grade in Lincoln County for the last 22 years. Gayle has also raised three successful children, served in her church, mentored new teachers, renewed her National Board Certification, and was a three-time school level Teacher of the Year. Gayle has been a very active member in Delta Kappa Gamma in both Vermont and North Carolina. After dedicating 41 years to the field of education, Gayle will officially retire on July 1st.

Gayle is a treasured member of Delta Sigma and continues to be an asset to our chapter. Once again, congratulations to Gayle on earning this esteemed award!

A Message from Your President

Greetings Sisters,

Wow, this spring has been an exciting busy time for Delta Sigma. I am so proud of our chapter and its accomplishments! We have much to celebrate and be proud of; we definitely *“sparkled.”*

Our 2018 Fashion Show was an amazing success! Coordinators Cindy White, Donna Jolley, and Nelva Goodson lined up a great list of vendors and models, organized seating, and had all in check for that special day. Kristen Miranda was once again a gracious and entertaining emcee! Wanda Lutz had ticket sales organized while Becky Heavner, Jill Eaddy, and Elaine Boysworth organized a great brunch menu and kitchen operation. Tables were beautifully decorated by Sara Miller and Jane Morton on tablecloths ironed by Elaine Jenkins. Coffee was organized by Rhonda Hager with much help from new member Jennifer Luper. I cannot imagine cleaning up after the show without Jenny Dellinger and Deanna Dunn on the dishwasher detail. I need also name all the models that not only served plates, but also modeled multiple outfits and participated in the clean-up. What a team effort! I am so proud to be a member of that team. Our efforts made possible the awarding of FOUR \$1,000.00 scholarships to deserving high school seniors who are potential future teachers. Many thanks to each and every one who participated in this successful event.

At the Eta State Convention in Charlotte, I was proud to accept the Chapter Achievement Award of Excellent for Delta Sigma and the Newsletter Excellence Award as well. I have included a report from the convention in a separate article.

Our Scholarship meeting on May 10th was certainly a highlight for our year. Our Region X Director, Amanda Moose and Eta State Awards Committee Chairperson Donna Rudisill were our honored guests, along with our scholarship recipients. It was such a grand celebration with four scholarship awards along with our most promising first year educator award. Kristen Reynolds received our Advanced degree award. Donna Rudisill presented Gayle Reid the prestigious Eta State Golden Key Award. The evening concluded with the initiation of our new officers: President – Rhonda Hager, Vice-

President – Kennan Eaddy, Secretary – Kesha Ruppe, and Treasurer – Laurie Sellers. Many thanks to these ladies for accepting the challenge of leadership. Also, many thanks to Tammy Price and Kellie Goins for serving the last four years as Secretary and Treasurer, respectively.

As my biennium as your leader concludes, I thank each of you for your encouragement and support. Your emails, cards, and words of kindness and support meant so much. The Burlon Craig pottery pitcher is on my mantel and I am very grateful for your generous gift. To my executive board, I am thankful for your leadership and support in all we have accomplished during the past two years. As we begin our next biennium, I look forward to the competent leadership of Rhonda Hager and her executive team. My hope is that we will continue to be a strong chapter in Region X, to support one another in projects that we undertake, and to encourage our members to take advantage of scholarship opportunities for personal enrichment and professional development.

With warmest regards,

President Libby Fletcher, pictured right, welcomes guests to the 2018 Delta Sigma Fashion Show. The members of Delta Sigma thank her for her outstanding leadership as president of Delta Sigma for the 2016-2018 biennium. We appreciate her time, effort, and dedication in leading our chapter!

A Message from Connie Savell

Let's SPARKLE!

Goals:

- Encourage **S**avvy leadership
- Inspire **P**assion, meaningful programs and projects
- Analyze and **A**rticulate current educational issues
- Further **R**espect for diversity in membership
- Promote **K**nowledge through lifelong learning
- Establish and Launch a member wellness initiative
- Advocate **E**xcellence in education

Summer brings a time of excitement, relaxation, renewal, and reflection for educators. I would like to wish you a calm and peaceful vacation from your regular routine.

As your state president, I am amazed that half of my presidency is over. I have had wonderful chapter visits, attended celebrations, met with our state committees, and presided at our annual state convention. Eta State has some fabulous leaders who care about education and are willing to serve as committee chairs and serve on committees. In planning for the second year of the biennium we will promote the same theme and goals.

Let's Sparkle! Take time to read the goals above.

In the next two weeks, New Chapter Leader Trainings will be held across the state in three central locations to make your traveling easier. It is important that every chapter is represented so your chapter can be kept abreast of new ideas and focus for Eta State. Every effort is being made to plan meaningful sessions for you to learn more about our organization.

On Wednesday, June 6, 2018, I joined two members of the Educational Law and Policy Committee in Raleigh, and we met with Speaker of the House Tim Moore, Representative David Lewis, Senator Brent Jackson, and Senator Rick Horner. Lynn Ragsdale, Rosalie Bisette, and I had the opportunity to share our White Paper with each of these important legislators. They were willing to listen and spent time discussing education with us. I recommend that each Eta State member get to know the men and women who represent you and use your voice of influence to advocate for Excellence in Education. We must build relationships with them so they will gain our trust and be willing to seek our advice.

Enjoy your summer!

Let's Sparkle!

My, What a Difference a Month Makes!

By Susan Phipps, Chair, ELP Committee

While writing last month's article for the Educational Law and Policy Committee, it never occurred to me that the NC Legislature would vote on and pass its budget before the next *Eta Data* hit the presses! In an unprecedented move, the leaders of both the NC House of Representatives and the NC Senate held closed door meetings with members of their caucuses to discuss and create the 2018 budget without any hearings or public comment opportunities or any input from other members of the House and Senate. The procedural maneuver they used made it impossible for any amendments to be considered on the floor, allowing only a "yes" or "no" vote on the budget for the coming year.

Although the resulting budget does increase spending for education, it does not answer the needs of public schools across the state. An additional \$900 million in corporate tax cuts will make it very hard to find much-needed funding for schools in the future. This is unfortunate since funding for NC schools is still behind pre-recession spending for education when adjusted for inflation and growth in student enrollment.

This situation makes it even more important for DKG members to meet with their Senators and Representatives between now and next year. The Eta State NC ELP Committee urges chapters to consider planning a visit to Raleigh or an organized meeting with lawmakers in their hometown offices. We need to share with them what the needs of schools are and the importance of fully funding those needs. We must all share the effect this could have on the future of our beloved state.

Please take time to review [the 2018 Legislative Priorities White Paper](http://www.ncdkg.org) from the Eta State website (www.ncdkg.org -> Leadership -> Educational Law & Policy Committee -> scroll to bottom of the page). Be aware of these priorities when communicating with Senators and Representatives. Share copies of the White Paper with them as well.

Kennan Eaddy reminded us at our last chapter meeting that it usually takes five contacts with a legislator to make a difference. Let's make a difference in NC!

Eta State Convention Report

By Libby Fletcher, Delta Sigma President

Long overdue, but I finally attended my first Eta State convention and I enjoyed the experience. Delta Sigma was well represented by Elaine Jenkins, Kennan Eaddy, Rhonda Hager, and myself. I was proud to accept the **Chapter Achievement Award of Excellent** and the **Newsletter Excellence Award**. I want to give Elaine Boysworth a round of applause for her excellent work as our newsletter editor.

Among the highlights of the convention was the breakout session with Senator Jeff Tarte (Huntersville). He gave us an idea of how long it can take to get a bill through to passage and what to expect in the short session. He said a key to gain influence with politicians is to build relationships and communication. He believes in the importance of preschool and is working with Sen. Jeff Jackson and former Governor Jim Hunt on preschool initiatives. I will follow up on this session by sending Kennan's link regarding communicating with legislators.

At the President's banquet, I enjoyed not only the meal and fellowship but also the speech by DKG immediate past president Dr. Lyn Babb Schmid. She is an advocate for change that will keep the society viable in the future. The DKG International convention in Austin this summer will be important to the future of the society.

A very moving service of Remembrance was held Sunday morning. It was an important reminder of the legacy of dedication and hard work of the lives celebrated. The brunch that followed featured Edna Thayer who spoke of the benefits of joy and laughter for our health. She gave a delightful and joyful presentation to close the convention. An added bonus for me was the opportunity to eat breakfast with a former student, Aaron Matson. Aaron accompanied Dr. Sara Massey and provided music for the Sunday festivities. Thus, connecting with a student and fellow educators was a highlight of the weekend.

Next year's convention will be May 3-5 in Hickory. I hope that Delta Sigma will not only have helpers but also presenters at this convention. Put that weekend on your calendar for 2019!

P.S. If you need a great DKG hoodie, see the Eta State News to order one from the NC DKG Educational Foundation! I love mine!

Plan Now for Foundation Grants

Now is the time to be thinking of projects your chapter will do in the coming biennium and how a grant from the NC DKG Educational Foundation might help.

The Foundation will again be offering grants in two categories—

Professional/Personal Growth Grants and Learning/Literacy Grants. Proposals are to be **submitted via email** to the Grants Review Committee Chair and must be **received no later than September 30, 2018**.

Proposal Forms and the email address for submitting proposals are posted on the Foundation website at <http://www.ncdkgef.org/>, under the Grants tab.

Delta Sigma Leaders Attend Training and Conference

Rhonda Hager, Kennan Eaddy, Kristin Reynolds, and Laurie Sellers attended the New Chapter Leader Training in Black Mountain on Tuesday, June 26, 2018. These chapter leaders attended various sessions to assist them as they prepare to lead Delta Sigma into the next biennium. In addition, Rhonda Hager will attend the International Convention in Austin, TX July 16-20, 2018. Please let her know if you have feedback on the proposed amendment changes.

Videos Provide Help on the Proposed Amendments

International President Carolyn Pittman held webinars in May to explore the proposed amendments to the Constitution and International Standing Rules.

For those members unable to view the May webinars with President Carolyn, there are videos available on the International website that explain the “stories” behind the amendments. There is also a series of FAQs. Check them out at

http://www.dkg.org/DKGMMember/Resources/2018_Proposed_amendments.aspx. (Look down to the right for a box with links to the six short videos regarding the “stories” about proposals.)

Society Name Change Among Constitutional Amendments Proposed for Vote at Convention

Do you think changes in the Constitution at the International Convention are not of interest to you? Then, you need to read your [Mar/Apr 2018 DKG News](#). One of the proposals up for adoption is a change in the name from The Delta Kappa Gamma Society International to Women Educators

International (DKG). State organizations will be named by geographical areas and each chapter will be named by the state organization.

These changes and more are part of a rebranding of the organization proposed to allow the organization to promote itself based on who we are, not who we were, while honoring our past. Read all the changes in the *DKG News* or online at

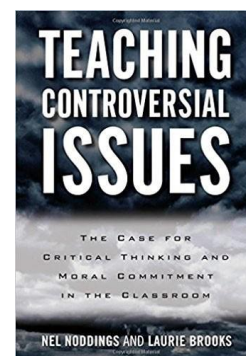

http://www.dkg.org/DKGMMember/Publications/NEWS-Print_Issue.aspx. There is an interactive pdf for downloading at the same link.

Also read President Carolyn Pittman’s article on page one of the [Mar/Apr 2018 DKG News](#) and note her comments, “To know and understand the proposals is important. A reasoned reaction to proposals is more professional and productive than an emotional reaction.”

2018 Educators Book Award Winner Announced

Each year, the International Educators Award Committee selects a book to receive the Educators Book Award. Its goal is to recognize women authors whose educational research and writing potentially impact the thoughts and actions of today’s complex society.

This year’s award winner is *Teaching Controversial Issues: The Case for Critical Thinking and Moral Commitment in the Classroom*. The authors explain how teachers can foster critical thinking through the exploration of controversial issues and offer specific, concrete strategies for addressing a variety of issues.

2018 Fashion Show is Huge Success

Submitted by Cindy White

Another successful Fashion Show!!! Without all of you it wouldn't have been possible. Our attendance was great, and the support from the community and local businesses was overwhelming. We have heard so many positive comments from our guests.

Thirty-seven of our members participated by selling tickets. Wanda Lutz did an outstanding job managing the 210 guest tickets. This is not an easy job! Thanks to all the members who sold tickets especially Kay Wilson, Wanda Lutz, Nelva Goodson, Edwina Beam, and Libby Fletcher. Together they sold 91 of the guest tickets. This was close to 50% of our ticket sales. Also, thank you members for purchasing a ticket!

Once again, Sara Miller and Jane Morton did a beautiful job decorating the venue. We want to thank them for all their hard work. Also, Elaine Boysworth typed and printed our programs. She does such an awesome job making sure everything is correct. Thank you, Elaine!!

According to a lot of our guests, the food was a big hit. As in the past, Becky, Jill, and Elaine B. planned beautiful plates. They also have a wonderful team of

ladies that always help them in the kitchen. We offer a big thank you to them and all the members who made a casserole or a dessert. If you were not asked to cook, make sure you get your \$15.00 to Wanda to help pay for the ingredients. Many members assisted in the plating process and all members present served

the plates in an orderly fashion. Rhonda Hager always keeps the coffee flowing. Diana Carpenter made sure we had servers for each table. She, Melanie Huss, and Jennifer Luper ensured all guests had plenty of coffee, juice, and water refills. Thank you so much to everyone!

After a delicious meal, our guests were treated to some beautiful fashions. We were so excited to have Kristen Miranda as our emcee again this year. She did a wonderful job introducing our 23 models and six vendors.

Nelva Goodson and Judy Shuford, who have modeled in all eight shows, were joined by Edwina Beam, Frankie Beam, Katie Crocker, Jenny Dellinger, Deanna Dunn, Kennan Eaddy, Rhonda Hager, Sherry Hoyle, Jennifer Huskey, Elaine Jenkins, Judy Jones, Brenda Kinney, Heather Myers, Tammy Price, Kristen Reynolds, Laurie Sellers, Darla Stines, and Kelly Withrow. We were so excited to have three of our previous scholarship winners modeling this year – Esther Garcia, Abbey Parker, and Shelby Rollins!! Again, Cato, Chico's, Hi-Lites, The Leprechaun, and Tally-Ho brought beautiful fashions. We added 7th Moon Boutique this year, and we hope they will become a regular vendor. I heard that Kristen Miranda went shopping after the show! Please support these vendors throughout the year and tell them you are a Delta Sigma member.

We were fortunate to have so many door prizes for our guests! Gayle Reid, Donna Jolley, and Brenda Kinney did an excellent job getting these prizes ready to give out during the show. A special thank you goes to:

The Drug Store, Carolina Trust Bank, Chris Rhyne Financial, Rhyne Financial, Fatz, Hi-Lites, House of Pizza, Drum's Florist & Gifts, Sherry Garner, Merle Norman Cosmetic Studio, Kever Pharmacy, Ashley Frady, Habibi Frozen Yogurt, Court Street Grille, Ashleigh Oliphant, The Leprechaun, Morgan's Ice Cream Parlor, 7th Moon Boutique, Shear Options, A Touch of Home Design, Just Around the Corner, Saine Hardware, Scott Mosteller at Sentry Drug, and Reid's Wood Goods. Member contributions came from Linda Yoder, Jane Morton, Libby Fletcher, Edwina Beam, Brenda Kinney, Nelva Goodson, Cindy White, Gayle Reid, Rhonda Hager, Kristen Reynolds, and Judy Jones. Pat Carpenter and Wendy Mosteller took care of selling the 50/50 tickets, and this ended up being around \$500.00 total. It means a lot to have so much support from the community and our own members.

Kristen Miranda was so excited about her "gift card" arrangement! I want to thank those members who made this possible. Special thanks to: Libby Fletcher, Wanda Lutz, Becky Burke, Donna Jolley, Elaine Jenkins, and

Rhonda Hager. Kristen did a wonderful job as our emcee, and I think the gift was a wonderful way show our appreciation.

We also want to thank Linda Yoder for being our photographer again this year. As last year, she has already put together an album of our 2018 Fashion Show. I hope you were able to access it. It was great! Thank you, Linda!

Words cannot express how much Nelva, Donna, and I appreciate all the support you gave in helping with the

fashion show. Once again, we had wonderful committees who did their job and we never had to worry about them. Thank you so much!!

Thank you to all who worked "behind the scenes" to make our fashion show successful – from preparation to cleanup!
